ORDER

(Date: 16/02/2024)

Whereas, Goan Real Estate And Construction Pvt Ltd, the promoter had applied through email dated 14/07/2022 for Correction in development details in their project 'Phase V Sector 2 Apartments'. 3. The Authority passed an order on 08/02/2023 and interalia held as follows:-

“ As per the plain reading of the above mentioned provisions of Section 14(2)(ii), it is clear that matter of modifications and alterations in the sanctioned plan is

dealt in respect of the project as a whole. The project registered in this case ie 'Phase V Sector 2 apartments' is one project and has been given one registration number by Goa RERA. Hence any major modification in respect of building plan as well as layout plan has to be dealt taking into consideration that this entire project as one project. The plea of the promoter that the proposed major changes are in respect of one of the three clusters and since no booking has been made in this cluster, Section 14(2)(ii) is not applicable; is not acceptable. The Section 14(2)(ii) deals with project registered under the Act as a whole and not in respect of the part of the project or cluster. If any major changes or alteration are taking place in the project, the written consent of 2/3rd allottees of the project must be taken and without the said modifications/major changes in the project cannot be permitted. The applicant has failed to submit the said consent of 2/3rd allottees.. In view of the above observations, the application dated 14/07/2022 is not tenable and the same is rejected."
