JD Pearls are the gems polished and presented for luxury living close to all your North Goa fun but nestled quietly in the tranquil town of Colvale, looking over Chapora River, two minutes from the NH-66 and a few minutes drive from the market town of Mapusa.

The apartment complex is designed with attention to detail, providing a timeless appearance to your home for years to come. There is no aspect missing from providing a world-class living experience. That's how we managed to open up all the flats to their personal balcony spaces.
