SAPANA VISTA

SITE PLAN

SAPANA VISTA

BUILDING A - GROUND LEVEL PLAN - STILT PARKING

NOTE: Dimensions shown in the above floor plan are as per the plans approved by the South Goa Planning & Development Authority and Margao Municipal Council, which includes the carpet area to be covered by plaster of internal walls and plaster of internal side of external walls. Such dimensions will vary after the internal walls and internal side of the external walls are plastered. Consequently, there is likely to be reduction in the carpet area depending upon the thickness of plaster of the walls.

SAPANA VISTA

BUILDING A - TYPICAL LEVEL PLAN - (1st, 2nd, 3rd, 4th & 5th)

NOTE: Dimensions shown in the above floor plan are as per the plans approved by the South Goa Planning & Development Authority and Margao Municipal Council, which includes the carpet area to be covered by plaster of internal walls and plaster of internal side of external walls. Such dimensions will vary after the internal walls and internal side of the external walls are plastered. Consequently, there is likely to be reduction in the carpet area depending upon the thickness of plaster of the walls.

SAPANA VISTA

BUILDING B - GROUND LEVEL PLAN - STILT PARKING

NOTE: Dimensions shown in the above floor plan are as per the plans approved by the South Goa Planning & Development Authority and Margao Municipal Council, which includes the carpet area to be covered by plaster of internal walls and plaster of internal side of external walls. Such dimensions will vary after the internal walls and internal side of the external walls are plastered. Consequently, there is likely to be reduction in the carpet area depending upon the thickness of plaster of the walls.

SAPANA VISTA

BUILDING B - FIRST LEVEL PLAN

NOTE: Dimensions shown in the above floor plan are as per the plans approved by the South Goa Planning & Development Authority and Margao Municipal Council, which includes the carpet area to be covered by plaster of internal walls and plaster of internal side of external walls. Such dimensions will vary after the internal walls and internal side of the external walls are plastered.
