Ref No: TPB/7283/NER/TCP-22/ 379

Dated: 31 /01 /2022

**TECHNICAL CLEARANCE ORDER**

Ref No: Inward No. 2381

Dated: 24/06/2021

Technical Clearance (**Revised**) is hereby granted for carrying out the **proposed construction of Residential villas A1 to A3 and B1 to B4, swimming pool & compound wall** as per the enclosed approved plans in the property Zoned as **Settlement Zone** in **Regional Plan for Goa 2021** situated at **Nerul village Taluka Bardez Goa**, bearing **Survey No.94 Sub Div. No.2-A** with the following conditions:-

- 1) Construction shall be strictly as per the approved plans. No changes shall be effected in the approved plans/approved built spaces without the prior permission of this Authority.
- 2) The permission granted shall be revoked, if any information, plans, calculations, documents and any other accompaniments of the application are found incorrect or wrong at any stage after the grant of the permission and the applicant will not be entitled for any compensation.
- 3) The development permission will not entitle the applicant for making/laying any claim on water and any other connection from the Government of Goa.
- 4) The Developer/applicant should display a sign board of minimum size 1.00 Mts. X 0.50 Mts. with writing in black color on a white background at the site, as required under the Regulations.
- 5) The Soak pit should not be located within a distance of 15.00 meters from any other existing well in the plot area/plan.
- 6) The commencement and the completion of the work shall be notified to the authority in writing in appropriate forms.
- 7) Completion Certificate has to be obtained from this Authority before applying for Occupancy Certificate from the licensing authority.
- 8) Storm water drain should be constructed along the boundary of the effected plot abutting to the road.
- 9) Adequate Utility space for the dustbin, transformer etc. should be reserved within the plot area.
- 10) In case of any cutting of sloppy land or filing of low-lying land, beyond permissible limits, prior permission of the Chief Town Planner shall be obtained before the commencement of the works per the provisions of Section 17(A) of the Goa Town & Country Planning Act, 1974.
- 11) The construction of compound wall shall not amount to blocking of any natural water course/drain and adequate number of opening in the compound wall shall be made for smooth flow of water.
- 12) In case of Compound Walls, the gates shall open inwards only and traditional access if any passing through the property shall not be blocked, unless the plot or property so served is otherwise served by alternate access.
- 13) Maximum height of compound wall along the boundary other than that abutting on a street shall be 1.80mts and along the boundary on a street upto a height of 1.50mts only and which shall be of closed type up to a height of 90cm. only and open type above that height.
- 14) Along the intersections of streets no compound wall shall be raised to a height of more than 1.0mts from the crown of the road for a length of 9.00 mts from the intersections corner of the plot, on both sides of the plot.

Cont..2/-

- 15) In case of road intersection the construction of compound wall should be carried out in a smooth curve of 3.00mts radius for roads upto 10.00mts R/W and that of 5.00 mts radius for roads above 10.00 mts R/W.
- 16) All gates of compound wall shall be open inwards only, unless the gate is recessed into the plot to a depth, which will not cause the gate to protrude beyond the compound wall line.
- 17) The entry or exit to the plot situated at the intersection of roads having a width of 10.00mts or more, shall be located at least 15.00 mts away from the tangent point of such intersection. If a length of any side of such a plot is less than what is prescribed above, then the entry or exist shall be provided at farthest end of the plot from the intersection.
- 18) The Ownership and tenancy position as on 2.11.1990 & thereafter of the plot/property under reference shall be verified by the licensing body before issuing the license.
- 19) The Village Panchayat shall ensure about the availability of Power and Water Supply and any other required infrastructure before the issuing of the license.
- 20) The adequate arrangement for collection and disposal of solid waste generated within the plot shall arrange to satisfaction of Village Panchayat.
