• Notes to Audit Report:

- I. We have conducted our engagement and examination in accordance with standards on Auditing, Guidance Note on Reports and Certificates for special purposes and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. We confirm our compliance to all such applicable pronouncements and with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
- II. It is the primary responsibility of the management of **Hum Associates** to prepare, produce and maintain all accounting and other relevant supporting records and documents required for the purpose of this certificate. This responsibility includes the design, implementation and maintenance of necessary and appropriate internal control commensurate with the nature and size of entity.
- III. Estimated cost for the calculation of percentage of completion of project is provided by the Management.
- IV. Percentage of completion is calculated as per total actual cost incurred as per books of accounts divided by the total estimated cost to complete the project as provided by the Management.
- V. As per self-certification obtained from the management, the amounts withdrawn from the designated bank account are utilized towards project cost only. However, it is not possible for us to verify the end use of funds withdrawn from designated bank account on one-to-one basis since the requisite record for such verification is not available with us. But while certifying on utilization, we have relied on the expenditure as per books of accounts produced before us which shows that the expenditures incurred on the project are more than total amount collected from customers till the end of financial year on cumulative basis.
