

RUMAH HUTAN

Luxury Forest Homes

AT SIOLIM, NORTH GOA

A Balinese Forest Enclave

Inspired by the culture and architecture of Bali, Rumah Hutan is created with a community of eight independent villas, with azure pools, surrounded by a dense forest.

The Statement Maker

A home that you will fall in love with, embellished with furniture and artifacts imported from Bali.

Smart Investment

Rumah Hutan is styled as a private resort with high rental appeal to generate a good return on your investment. Our impeccable services manage your rental requirements, from concierge to housekeeping.

Exotic Living

Award-winning architects from India, Alva Architects & Bonafide Design, help achieve a distinct vision of Rumah Hutan. Highly skilled civil engineer and contractor teams back the entire development process. Our Balinese elevations coupled with modern interiors, and appliances appeal to a global audience.

Tropical Landscape

SHL Asia, our Bali-based landscape designers, are renowned across the continent for their authentic tropical landscape designs. Their vision encapsulates landscape and architecture as two elements completing a whole. SHL Asia believes that the two come in harmony, as the inner and outer space, to complete a melodious composition.

Bedroom Buzz

Spacious bedrooms at the villas feature tasteful furniture and décor to transport you to the wonderful island of Bali. Each home is crafted with an artistic and natural look, and a sense of urban comfort with enhanced usability.

Privacy Supreme

The indoor and outdoor spaces of each villa are designed to have synergy. The vision is for one to flow into the other with all villas enjoying a sense of privacy. All the rooms overlook the pool, and have private landscaped sit-outs as well.

Bathe In Bliss

All the villas come embellished with lotus ponds, bath courts with outdoor showers, and stone tubs from Bali.

Resort Amenities

There is seamless communication enabled with a robust security system. The entire property is secured with CCTV cameras. Each villa has a video door phone, and an intercom link to the main gate. For further safety, there is a centralised reception area, which also houses laundry and storage facilities provided for utmost convenience.

A stylized map of the Siolim area in Goa, India. The map features a light beige background with white lines representing roads and a teal-colored coastline and water bodies. Several locations are labeled: Ashwem Beach at the top left, Morjim Beach in the center left, Little Vagator Beach below it, and Anjuna Beach at the bottom left. To the right of Morjim Beach, a dark teal location pin marks 'Thalassa, Siolim'. Further east, a large teal location pin is labeled 'RUMAH HUTAN'. Below that, the name 'Assagao' is written. At the bottom right, another dark teal location pin marks 'Mapusa'.
