Assagao-Goa.

A vision for your life

ABOUT ASSAGAO

Assagao is a quiet inland village known for leafy streets lined with elegant colonial villas and Portuguese-era churches like the 18th-century St. Cajetan. It's an up-and-coming hub for creative businesses, home to design boutiques selling art, clothing, and jewelry, plus upscale resorts and yoga retreats. Trendy restaurants serve experimental South Indian, Goan, and global fare, plus organic and farm-fresh produce.
