Retreat to Your Paradise

Some getaways are about finding yourself. A place you can call your own. A place your friends can call their own. A place that has no rules. A place that has rules meant to be broken. A place that you can get away to. A sanctuary for yourself away from the everyday madness. Discover your inspirations under your own roof.

We don't believe in labels except the one's you decide on your own. Travel paths that tickle to your distinct

curiosity and pursuits. Get away for the weekend. Take the high road, the low road or the road less travelled.

We believe our Studios at Expat Vida Uptown do just that. A place to getaway from it all. A place to unwind and rewind. An idyllic setting in Upper Panjim, Kadamba Plateau. The next time you're in Goa, check into your own pad. And when you're not staying there, rake in some extra income from rentals from the ever-increasing tourist crowd.

Indulge yourself

A sprawling 28 acre mega integrated township, Expat VIDA Uptown is designed to make sure your time is spent doing the things you want to, at your convenience. A micro-city within itself, Expat VIDA Uptown houses more than just residences. Indulge in any of the entertainment activities or take a quiet stroll down the High Street. You'll really have to look for a reason to step out of Expat VIDA Uptown.
