Dated:- 28/5/2018

**OFFICE OF THE TOWN PLANNER, TOWN & COUNTRY PLANNING DEPT  
TISWADI TALUKA OFFICE, 5th FLOOR, KAMAT TOWER,  
PATTO-PANAJI-GOA.  
TECHNICAL CLEARANCE ORDER**

Technical Clearance is hereby granted for **proposed amalgamation of properties and proposed construction of residential buildings Blocks A,B Compound Wall** and well as per the enclosed approved plans in the property zoned as **Settlement(S2)** in Outline Development Plan for Panaji and situated at **Cujira** village, bearing Sy.No. **8/1-B and 8/1-B-1** of Tiswadi Taluka with the following conditions:-

- 1) Construction shall be strictly as per approved plans. No change shall be effected in the approved plans/approved built spaces without the prior permission of this authority.
- 2) The permission granted shall be revoked, if any information, plans, calculations, documents and any other accompaniments of the application are found incorrect or wrong at any stage after the grant of the permission and the applicant will not be entitled for any compensation.
- 3) The permission shall be revoke if found expedient to such an action under the provision of section 50 of the Goa Town & Country Planning Act, 1974.
- 4) The development permission will not entitle the applicant for making/laying any claim on water and any other connection from the government of Goa.
- 5) The Developer/applicant should display a sign board of minimum size 1.00 mts x 0.50 mts with writing in black colour on a white background at the site, as required under the Regulations.
- 6) The applicant shall obtain conversion sanad under the Goa Land Revenue Code 1968, before the commencement of any development/construction as per the permission granted by this order.
- 7) The soak pit should not be located within a distance of 15.00 meters from any other existing well in the plot area/plan.
- 8) The commencement and the completion of the work shall be notified to this office in writing in appropriate forms.
- 9) Completion certificate has to be obtained from this office before applying for occupancy certificate from the licensing authority.
- 10) Storm water drain should be constructed along the boundary of the effected plot abutting to the road.
- 11) Adequate utility space for the dustbin, transformer etc, should be reserved within the plot area.
- 12) In case of any cutting of sloppy land or filling of low lying land, prior permission of the Chief Town Planner shall be obtained before the commencement of the works as per the provisions of section 17(A) of the Goa Town & Country Planning Act 1974
- 13) The Ownership of the property shall be verified by the licensing body before issuing of the license

- 14) Verification of ownership with specific reference to tenancy position as on 2.11.1990 has to be verified by the Village Panchayat before issue of Licence.
- 15) All the set back as shown on the site plan shall be strictly maintained.
- 16) The Traditional access, if any passing through the plot shall not be blocked.
- 17) The balconies proposed should not be covered in any fashion, which may lead to excess FAR.
- 18) Complaints/Court order if any should be verified by the Village Panchayat before issue of construction license.
- 19) Along the intersection of the streets, no compound wall shall be raised to a height of more than 0.90 mts from the crown of the road for length of 0.9mts from the intersection of the street. This distance being measured from the corner point of the plot.
- 20) Maximum height of the compound wall along the boundary other than that abutting on a street may be permitted up to a height of 1.80 mts and along the boundary abutting on a street up to a 1.50 mts only and may be closed type up to a height of 90 cm only and of open type above that height.
- 21) Stilt floors should be strictly used for parking purpose only and shall not be closed in any fashion at any stage.
- 22) In case of compound walls, the gates shall be open inwards only and traditional access, if any passing through the property shall not be blocked.
