NO OBJECTION CERTIFICATE FOR PROPOSED CONSTRUCTION

Ref. No. TPB/5160/TIV/TCP-19/4513 Dated: 01/10/2019

Sub: - N.O.C. for proposed construction of residential Building and Swimming pool, bearing Survey No.154/13, at Tivim, Taluka Bardez - Goa.

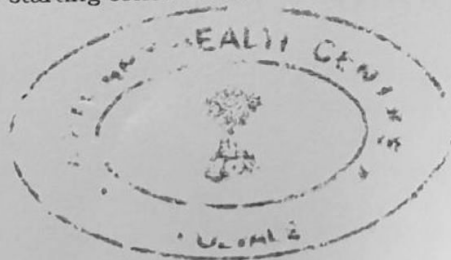

With reference to above cited subject, I am returning herewith the plans to Mr. Francis Crasto, C/o. Bharat Thakran and to inform you that there is no objection from sanitary point of view to issue "NO OBJECTION CERTIFICATE" for the proposed construction of residential Building and compound wall, in property bearing Survey No.154/13, situated at Tivim Village, Bardez- Goa, subject to the conditions that the septic tank and soak pit should be located at least 15 mtrs. away from any existing well / underground sump. The applicant should take adequate anti - larval measures at the construction site and she/he Should provide temporary type latrine facilities to the labourers working along with him/her and ensure that the curing water is treated with anti - larval chemicals. He should not allow stagnation of water and also carry out timely emptying of any water(source reduction) The applicant should ensure that all labourers are screened for malaria and employ the labourers having valid Health Card with them which are renewable every 3 months failing which a penalty of Rs. 10000 per labour will be imposed as per the provisions of Goa Public Health Act . Should appoint nodal person who will regularly check and take care of stagnation and breeding of Mosquitoes and also carry out source reduction and spraying of insecticide in curing water to prevent breeding at the site, cover any overhead tanks with lids and prevent any water leakages and discard unwanted containers.

After the completion of the entire construction and final finishing the applicant should call upon the Health Officer for re-inspection to verify whether the construction is done as per approved plan by Health Authority. However, the Secretary/Sarpanch is hereby requested to see that the "Occupancy Certificate" is issued only after obtaining final No Objection Certificate from the Health Authority. The applicant should co-operate with the Health Authorities / Pollution Control Wing whenever they visit for inspection. No Objection Certificate issued is liable to be withdrawn if the conditions stipulated above are transgressed / infringed.

If any revision is made in the plan then the revised plan approved by Town and Country Planning Dept./NGPDA should be submitted to this office at the time of revision.

The Ownership details/any legalities of land/structure may be verified by the panchayat at their end. Any Court order may be verified by the Panchayat before issuing the License.

The NOC issued is subject to the condition that he should obtain valid construction license from the Panchayat before starting construction.

Yours faithfully,

D. Narvencar
(Dr. Damodar Narvencar)
