Respected Sir,

We are applying for RERA registration for our project "Building Regalo M & N – Phase II", which is a part of the Plot having Survey no 181/1,2,3, 182/7,183/9, 180/1 & 2 having 12 building. Out of 12 buildings we have received completion for 9. We are registering two buildings in this project and one more building in other project. Land area for the building is calculated as Foot print of the two buildings plus access to the building. So there is no mismatch in area and we are not liable to pay extra fees. We are enclosing herewith corrected Affidavit.

Request you to kindly issue us the Registration certificate at the earliest.

Thanking You,

For,
