VIANAAR

WELCOME TO

LA ESTADA

Our vision is to offer you the best. La Estada speaks volumes of the superior craftsmanship and design finesse that Vianaar is known for. Expansive, sun-kissed 4BHK villas stand on their own lush contours of landscaped greens. La

Estada is a sprawling 3125 square metre estate complex that houses six exclusive boutique villas that enjoy absolute privacy. Three of them have private entrances.

Each villa exudes an old-world charisma with their expansive patios and the ubiquitous Portuguese style balcao. Natural greens of the surrounding foliage are set off by the soothing white arches of the villa façade. The soothing ripples of greens and whites flow seamlessly into the aqua of the private pool of every villa.

La Estada's interiors reflect our fondness for meticulous craftsmanship. Each room interior has been painstakingly etched using the best materials. The expanse of floor to ceiling glass never lets you lose touch with nature, it is a conduit for light and natural vibes in urbane living quarters.

The quest for your own private calm stops at La Estada.
