PRIORITY CONSTRUCTIONS

Building New Dimensions

Your Home. Your Lifestyle.

Priority Eros, an alluring iconic project situated within the most buzzing town at Socorro, Porvorim - Goa, offers a scheme of 1 and 2 BHK apartments.

Being inspired by the Greek imperial architecture, these homes showcase simplicity and harmony. With the national highway (NH17) running close to the complex, you are guaranteed access to hotels, hospitals and the mall. Look no more as this residential area gives you the privilege of owning a home in the near vicinity to educational institutions and government offices.

Priority Eros is equipped with premium and plush fittings, elevator, stilt car park, intercom and CCTV's that ensure you live in complete security and bliss. Priority Constructions gives you an admirable opportunity to own this home well within your budget.

Benefits of Green New Buildings

Green New Buildings can have tremendous benefits, both tangible and intangible. The most tangible benefits are the reduction in water and energy consumption right from day one of occupancy. The energy savings could range from 20-30% and water savings around 30-50%. The intangible benefits of green new buildings include enhanced air quality, excellent daylighting, health & well-being of the occupants, safety benefits and conservation of scarce national resources.
