No. VP/N/Const.L.49/2022-23

Date: 07/02/2023

Licence is hereby granted to you in pursuance of Resolution No. 3(1) duly approved by the Village Panchayat Navelim in its meeting held on date 31/01/2023 for carrying out the:

- (a) Proposed Construction of residential building (revised plan).
(b) Land Sub-division(Provisional/Final).

- as per the enclosed approval plan/plans in the property Zoned as Settlement in the Regional Plan and situated at RAVORA, Navelim Village bearing Survey No.6777-A, of Navelim Village of Salcete Taluka, subject to the following conditions:-
1. The applicant shall notify the Panchayat for giving the alignment of the building.
 2. The construction should maintain the minimum prescribed horizontal and vertical clearances from any overhead electrical line passing adjacent to the construction.
 3. All RCC/Structural works shall be designed and supervised by the Engineer who has signed the Structural Liability Certificate submitted to the Panchayat.
 4. No material for construction or earth from excavation or any other construction material shall be stacked on the Public roads.
 5. The building should not be occupied unless the occupancy certificate is obtained from the Panchayat.
 6. Infrastructure such as roads and drainages are provided to the said construction site.
 7. The garbage handling station consisting of segregation facility and composting unit/machine and Incinerator needs to be installed.
 8. The sewerage treatment plant needs to be installed if sewerage connections are not released by the time of occupancy.
 9. The construction license shall be revoked if the construction work is not executed as per the approved plans and the statements therein and whenever there is any false statement or misrepresentation of any material passed, approved or shown in the application on which the permit was based.
 10. The applicant should construct a separate soak pit in order to derive in the sullage water.
 11. Any soak pit should be constructed at a minimum distance of 15 meters away from the well.
 12. The ventilation pipe of the septic tank should be provided with a mosquito net.
 13. The Applicant should connect the pipelines from their latrines/WC's to the sewerage line at their own cost, when the sewerage line is commissioned.
 14. The applicant should fix a board at a prominent place whenever the construction is started, indicating the number, the date and the authority for which the license for development work has been granted.
 15. All the building material and other rubbish should be cleared from the construction site before applying for the Occupancy certificate.
 16. Water storage tanks shall be provided with mosquito proof lids and over flow pipes. The tanks should be provided with access ladders whenever necessary.
 17. The drains surrounding the plot if any should be constructed with PCC and should be covered with removable RCC slabs of sufficient thickness.
 18. The applicant should gift the road widening area to the Village Panchayat before applying for the Occupancy Certificate, if the applicant has utilized the extra FAR in lieu of the road widening affecting the plot.
 19. The applicant should plaster and Paint the building internally as well as externally before applying for Occupancy certificate. Exposed brick/laterite/concrete/stone/ashlar masonry finish to buildings will also be permitted.
 20. The applicant should provide a dustbin at a convenient place accessible for the Panchayat Vehicle for collection of garbage.
 21. The applicant should provide a composting unit at a convenient place for disposal of wet garbage.
 22. Road widening area shall be applied to the existing road level before applying for occupancy certificate.
 23. Garages and Parking area shown in the approved plan shall be strictly used for parking purposes only and should be easily accessible to vehicles. No commercial activities shall be allowed in these areas.
 24. Access up to the entrance of the building is to be paved and is provided with drainage facilities.
 25. Space for parking of vehicles is clearly demarcated on the ground.
 26. No Restaurants/Bars will be permitted in the shops unless a separate soak pit is provided besides confirming to the rules in force.
