No. VP/REVORA/Construction Licence /2021-22/ 727

Date:- 21/12/2021

REVISED CONSTRUCTION LICENCE

License is hereby granted to you in pursuance of Resolution No. 2 (S) duly approved by the Village Panchayat Revora in its meeting held on dt. 14/12/2021 for carrying out

- (a) Construction of Revised Construction
(b) Land Sub-division (Provisional/Final):- property bearing Sy. No. 22/2C, Simolda Wada of Village Revora situated at Revora, Bardez, Goa.

Subject to the following conditions:-

1. The applicant shall notify the Panchayat for giving the alignment of the building.
2. The construction should maintain the minimum prescribed horizontal and vertical clearance from any overhead electrical line passing adjacent to the construction.
3. All RCC/Structural works shall be designed and supervised by the Engineer who has signed the Structural Liability Certificate submitted to the Panchayat.
4. No material for construction or earth from excavation or any other construction material shall be stacked on the Public roads.
5. The Building should not be occupied unless the occupancy certificate is obtained from the Panchayat.
6. The construction licence shall be revoked if the construction work is not executed as per the approved plans and the statements therein and whenever there is any false statement or misrepresentation of any material passed, approved or shown in the application on which the permit was based.
7. The applicant should construct a separate soak pit in order to derivate in the sewage water.
8. Any soak pit should be constructed at a minimum distance of 15 meters away from any well.
9. The ventilation pipe of the septic tank should be provided with a mosquito net.

10. The Applicant should connect the pipelines from their latrines/WC's to the sewerage line at their own cost, when the sewerage line is commissioned.
11. The applicant should fix a board at a prominent place whenever the construction is started, indicating the number, the date and the authority for which the license for development work has been granted.
12. All the building material and other rubbish should be cleared from the construction site before applying for the Occupancy certificate.
13. Water storage tanks shall be provided with mosquito proof lids and over flow pipes. The tanks should be provided with access ladders wherever necessary.
14. The drains surrounding the plot if any should be constructed with PCC and should be covered with removable RCC Slabs of sufficient thickness.
15. The applicant should gift the road widening area to the Village Panchayat before applying for the Occupancy certificate, if the applicant has utilized the extra FAR in lieu of the road widening affecting the plot.
16. The applicant should plaster and paint the building internally as well as externally before applying for Occupancy certificate. Exposed brick /Laterite /concrete /stone / ashlar masonry finish to buildings will also be permitted.
17. The applicant should provide a dustbin at a convenient place accessible for the Panchayat vehicles for collection of Garbage.
18. Road widening area shall be asphalted to the existing road level before applying for occupancy certificate.
19. Garages and parking areas shown in the approved plan shall be strictly used for parking purposes only and should be easily accessible to vehicles. No commercial activities shall be allowed in these areas.
20. Access up to the entrance of the building is to be paved and is provided with drainage facilities.
