Date:

TALEIGAO PLANNING AREA

ORDER

(Development Permission under Section 44 of the Town & Country Planning Act. 1974)

Whereas an application has been made by **Mr. Peter Vaz**, for development permission in accordance with the provision of section 46 of the Goa Town & Country Planning Act 1974 for **Renewal of Development Permission for Construction of Residential Building** with respect to his land zoned as Partly "S-1" Settlement zone & Partly "C-1" Commercial zone in ODP-2028 and situated at **Dona Paula, Panaji** city, bearing **Chakta No.14-H &15** of P.T Sheet No.175 approved building plan reference number **NGPDA/1137/15/17** dated **03.04.2017**

And whereas, a Development charge affixed at **Rs.27356/- and Infrastructure Tax of Rs.287960/- vide Challan No. P-75 dated 24.03.2017** has been paid earlier.

The Planning and Development Authority has granted permission to carry out the development in respect of the property above mentioned subject to the terms and conditions hereinafter stipulated upon receipt of the development charges levied for the said development. The terms and conditions upon which the permission has been granted by the Authority are the following:

- 1) This permission shall be valid for a period of three year from 03.04.2020 to 02.04.2023
- 2) Construction shall be strictly as per the approved plans. No changes shall be effected in the approved plans/approved built spaces without the prior permission of this Authority.
- 3) The permission granted shall be revoked, if any information, plans, calculations, documents and any other accompaniments of the application are found incorrect or wrong at any stage after the grant of the permission and the applicant will not be entitled for any compensation.
- 4) The permission shall be revoked if found expedient to such an action under the provision of Section 50 of the Goa Town & Country Planning Act, 1974.
- 5) The Development Permission will not entitle the applicant for making/laying any claim on water and any other connection from the Government of Goa.
- 6) The Developer/applicant should display a signboard of minimum size 1.00 mts. x 0.50 mts. with writing in black colour on white background at the site, as required under the regulations.
- 7) The applicant shall obtain Conversion Sanad under the Goa Land Revenue Code, 1968 before the commencement of development/construction as per the permission granted by this order.
- 8) The soak pit shall not be located within a distance of 15.00 mts. from any other well in the plot area/plan.
- 9) The commencement and the completion of the work shall be notified to the Authority in writing in the appropriate forms.
- 10) Completion Certificate has to be obtained from this Authority before applying for Occupancy Certificate from the Licensing Authority.
- 11) Storm water drain should be constructed along the boundary of the affected plot abutting to the road.
- 12) Adequate Utility space for the dustbin, transformer, etc. should be reserved within the plot area. In case of any cutting of sloppy land of filling of low-lying land, beyond permissible limits, prior permission of the Chief Town Planner shall be obtained before the commencement of the works as per the provision of Section 17(A) of the Goa Town & Country Planning Act, 1974.

- 13) In case of compound wall, the gates shall open inwards only and traditional access, if any passing through the property shall not be blocked.
- 14) The ownership of the property shall be verified by the licensing body before the issuing of the license.
- 15) This Development Permission shall not in any way construed to be a document conforming any or all the following:
- Title or interest of the holder of the permission to the relevant land or building or both.
 - Boundaries of the relevant site for which permission has been obtained; or
 - Any easement thereon or therefrom.
 - Structural or engineering safety or the workmanship of the proposed development.
- 16) All the conditions laid in the earlier Development Permission issued vide Ref No. NGPDA/1137/15/17 dated 03.04.2017 stands valid and in force.
- 17) The building shall be planned, designed & constructed with part IV fire protection of National Building Code of India, firefighting requirement arrangement & installation required in such building shall also conform to the provision of Part IV of fire protection of National Building Code of India & hence NOC from the Chief fire officer, Directorate of fire and emergency service shall have to be obtained before commencement of work.
- 18) The Developer is directed to utilize treated sewage from STP Tonca for their construction activities in view of directions of the Hon'ble NGT in O.A No.148/2016 (M.A.No.686/2017) titled Mahesh Saxena V/S SMDC & Ors in consultation with SIDCGL.
- 19) Necessary compliance to be followed for dust mitigation during the construction & demolition of the building by the developers as per the Environment (Protection) Amendment Rules, 2018.
- 20) **This Development Permission is subjected to the order of the Hon'ble High Court which said "We clarify that any further action, on the basis of impugned plan, will be subject to further order in this Petition. Further, the concerned Authorities to make it clear to the parties, while granting permissions, that such permissions will be subject to further orders in this Petition." (PIL/WP No.48/2019) Order dated 10.02.2020.**
- 21) The Applicant Shall follow the rule 18.1 & 18.2 of the Goa Land Development and Building Construction Regulations 2010, with regards to planting and preserving of trees, which shall be checked by the local Authority.
- 22) The applicant shall fulfill the required clearances from the existing power lines in the vicinity, in conformity with the Indian Electricity Rules 1956, and as per the letter issued by the Chief Electrical Engineer of Electricity Department, vide letter No.51(3)/CEE/Tech/(com)/2020-21/303, dated 01.07.2020 are to be maintained as under

For low or medium voltage (voltage up to 650 volts)

- 1) Where a low or medium voltage (voltage up to 650 volts) overhead line passes above or adjacent to or terminates any structure, the minimum clearances from any accessible point on the basis of maximum sag shall be observed:
 - a. **For any flat roof, open balcony, verandah and lean to roof:**
 - i. Vertical clearance of 2.439 meters from the highest point where line passes over the structure.
 - ii. Horizontal clearance of 1.219 meters from the nearest point when line passes adjacent the structure.
 - b. **For Pitched roof:**
 - i. Vertical clearance of 2.439 meters immediately under the lines when line passes over the structure.
 - ii. Horizontal clearance of 1.219 meters from the nearest point when line passes adjacent the structure.

For high or extra-high voltage (11KV and above)

- 2) Where a high or extra-high voltage (11KV and above) overhead line passes above or adjacent to a structure it shall still have on the basis of maximum sag, a vertical clearance above the highest part of the building immediately under such line, of not less than:

- a. Voltage level 11KV up to 33KV-3.658 meters
 - b. For voltage level above 33KV-3.658 +0.305 meter for every additional 33KV or part thereof.
- 23) The construction shall be strictly as per the provision of Goa Land Development and Building Construction Regulations 2010.

This permission is issued with reference to the application dated 18.03.2020 under Section 44 of Goa Town & Country Planning Act, 1974, from **Mr. Peter Vaz**.
